Peppery and floral, the 2020 Rosso Farnio wafts up with wild herbs, dusty roses, violets and tart cherries. It's soft, generous and enveloping, yet with a bump of zesty acidity and tart wild berry fruits that keep the expression energetic and fun. This leaves a subtle coating of fine tannins that frames the experience well, along with hints of licorice and currants. The Farnio is an easy-drinking and nicely balanced blend of 70% Montepulciano and 30% Sangiovese that punches well above its price point.
