Garofoli "Piancarda" Rosso Cònero DOC - 2018

vinous

The 2018 Rosso Piancarda is intensely spiced and perfumed, as medicinal cherries and raspberries are complemented by dusty rose and sweet cedar. On the palate the Piancarda takes a turn toward the savory spectrum. Salty and full of zesty minerality, the 2018 shows sapid red fruits, hints of plum and brisk acids that keeps the expression fresh. Grippy tannins linger through the finale, as hints of sour citrus and tart berries slowly taper off. The Piancarda is a varietal Montepulciano from the most northern part of Italy where Montepulciano is produced and is refined in large casks.
