#### Tenuta Capofaro "Capofaro" Salina IGT - 2019

WINE ADVOCATE

This is always such a fun and cheerful wine to enjoy at the end of an outdoor meal with an evening seascape somewhere in the distance. The Tenuta Capofaro 2019 Tenuta Capofaro (in a 500-milliliter bottle) is made with air-dried fruit (the appassimento process takes place on the island of Salina in a special fruttaiolo room for air-drying with controlled temperatures, but the Tasca team makes this wine at their home-base winery on Sicily; for that reason, this wine is identified with the IGT Salina appellation). As you might expect, winemaking is impeccable, and the aromas are clear and concise with fresh peach, minty apple and Sicilian night-blooming jasmine. The wine is full and elegant but graceful all the while with a crisp and polished mouthfeel. Tenuta Capofaro is among the least sticky and freshest of the dessert wines presented in this report.
