The Cultusbuoni brand of wines here is a negociant line. *Cetamura* is the name of an Etruscan settlement on the Badia a Coltibuono property. 100% Sangiovese, sourced from the provinces of Arezzo and Siena. Garnet; aromas of morel cherry, dried strawberry and brown herbs. Medium-bodied, this has moderate tannins, good acidity and nice varietal character. Straightforward and uncomplicated, this should be enjoyed over the next 1-2 years.
