The 2019 Barco Reale di Carmignano shows musky cherries, woodland herbs and shavings of cedar. It's fleshy and enveloping with a rustic flair, mixing nervous acids with fleshy ripe red berries and spice. This tapers off with medium length, slightly chewy yet fresh. Don't overthink it, don't expect the pinnacle of purity, but do expect a slightly funky, affordable and down-to-earth Barco Reale di Carmignano.
