The Tenuta Sant'Antonio 2016 Amarone della Valpolicella Campo dei Gigli (packaged in a very heavy eco-unfriendly glass bottle) is a dark and brooding wine packed tight with richly concentrated black fruit delivered in thick and lasting layers. The bouquet peels back to reveal dark plum and baked blackberry, but there is also a major focus on spice, tar, barbecue smoke and teriyaki. The wine makes a wide and large impact on the palate. It shows enormous textural richness and softly integrated tannins. You can age this blend of 70% Corvina and Corvinone, 20% Rondinella, 5% Croatina and 5% Oseleta (that sees three years in barrel) over the long haul.
