Italian Wine Report

by Tom Hyland

100% Sangiovese; fermented and aged in barrique. Bright, deep ruby red; aromas of black cherry, black plum and bay leaf. Medium-full, this displays very ripe, forward black fruit, ample wood notes, good acidity, medium-full tannins and very good persistence. This is a modern-styled Tuscan red that favors power over finesse. Perhaps time will help; the wine is well made. Peak in 7-10 years.
