ALOIS LAGEDER SCHIAVA ALTO ADIGE
DOC - 2020

JUNE 2022

**Alois Lageder Schiava Alto Adige DOC
- 2020**

vinous

The 2020 Schiava makes a striking first impression with its purity, displaying a translucent ruby color. It has a bouquet that mixes wild strawberries with clove, crushed violet candies and a hint of wet stone. This is soft-textured with a juicy personality, as pretty red berries give way to inner rose tones, all motivated by vibrant acidity. While a bit shorter than anticipated, it leaves the palate completely refreshed, finishes with hints of savory spice and lavender. This may be a no-frills expression of Schiava, but it's one that's very easy to like.
