Psst, here's a secret. Friuli has some of the most expressive Sauvignon Blanc on the planet....like this beautiful example from Russiz (Roo-seez). Bright and mineral-driven with minimal fruit, this wine is about texture. The palate is a study in balance with excellent acidity and just the right grip. It is very Friulian, and you may have a hard time sharing.

This Italian Sauvignon Blanc has all the makings of a sophisticated white wine. It's bright and mineral-driven, with soft aromas of fruit, and excellent acidity. A first-class bottle for classy wine and cheese nights or special occasions, this wine is a find that is meant to be shared.
