Delicate garnet; aromas of wild strawberry, cardamom and mint. Medium-bodied, this has good ripeness, very good acidity, moderate tannins that are well balanced, and good persistence. Nicely balanced, this is clean and straightforward and is enjoyable slightly chilled; there are notes of nutmeg and allspice in the finish. Enjoy over the next 2-3 years. (88)
Pinot Bianco Versalto 2020 (Vigneti delle Dolomiti IGT) Delicate yellow; aromas of golden apples, dried pear and yellow tea. Medium-bodied, this has round acidity, good persistence, excellent varietal character, very good harmony and a rich finish. Enjoy over the next 2-4 years.
