

ALOIS LAGEDER

ALOIS LAGEDER TERRA ALPINA PINOT GRIGIO VIGNETI DELLE DOLOMITI IGT - 2021

DECEMBER 2022

**Alois Lageder Terra Alpina Pinot Grigio Vigneti delle Dolomiti IGT - 2021**

The organic Terra Alpina 2021 Pinot Grigio in a screw-cap bottle is set up for easy drinking. The bouquet is simple and fresh with those classic apple, lemon and pear aromas that come so easily to this workhorse grape. There are subtle hints of dried flower or grass presented over a crisp, lean-bodied mouthfeel. The wine is fermented in steel and then transferred over to cement tanks and steel. Fruit comes from the Veneto region (not Alto Adige) and is planted at lower elevations, from 150 to 250 meters above sea level, on limestone soils. Production is a giant 450,000 bottles.
