**Li Veli "Askos" Susumaniello Rosato
Salento IGT - 2020**

Forbes

Masseria Li Veli is one of the few wineries that works with Susumaniello, a red indigenous variety of southern Puglia. Deep orange hue; aromas of pear jelly, currant and orange roses, with excellent freshness, very good acidity and a lengthy, round finish. Very appealing and well made; enjoy this on its own or with lighter white meats or ham over the next 2-3 years.
