Vin Ruspo, from the Carmignano production zone near Prato in Tuscany, is one of Italy's most complex styles of *rosato*. A blend of Sangiovese, Cabernet Sauvignon, Canaiolo and Cabernet Franc; deep orange appearance; aromas of orange zest, pear, pectin and orange roses. Medium-full with a rich, complex finish that is dry and elegantly styled, this has appealing flavors of orange and strawberry. Enjoy over the next 2-3 years.
