The Vermouth di Torino Rosso Superiore Rav 18 is a very serious wine from Elena Penna made from a traditional family recipe. The base is a cask of 2018 Barolo Ravera and a

touch of Arneis, which immediately elevates this Vermouth into the realm of something truly compelling. Ginger, spice, dried herbs, chocolate and pine lend striking aromatic

nuance to a Vermouth with real depth and Chinato-like complexity. This first release is nothing short of compelling.
