From estate vineyards in southern reaches of Chianti Classico's Vagliagli and Gaiole UGAs, Sangiovese is complemented by local varieties Canaiolo Nero, Ciliegiolo and Colorino. Following the hot summer, these were harvested in the last two weeks of September. The bright ruby hue is matched by equally lively aromas of medicinal herbs and roots suffused with red summer berries. Wild cherry and mint repeat on the palate. midweight and elegant, it is effortlessly balanced with crunchy acidity, light chalky tannins and digestible alcohol. Not a long ager but joyful and so Sangiovese.
