The 2020 Barbaresco Martinenga is superb. Bright, rich and expansive, the 2020 impresses with its energy and cut. Red-toned fruit, blood orange, rose petal and cinnamon are all beautifully delineated. This gracious, mid-weight Barbaresco delivers the goods. The 2020 spent a year in barrel, 30% new, and another year in cask. This is an especially fine edition for the Martinenga.
