Surrau "Sciala" Vermentino di Gallura DOCG Superiore - 2022

vinous

Dusty dried flowers, lemon oil and crushed rocks waft up the 2022 Vermentino di Gallura Superiore Sciala. It's soothingly round and textural with ripe orchard fruits and hints of tropical melon, all guided by brisk acidity. This finishes with medium length and slightly spicy, leaving a mineral tinge that creates a pleasantly crunchy sensation. The Sciala is nicely balanced, but I find myself craving more depth.
