Vietti's 2021 Timorasso is gorgeous. The first vintages here were decidedly rustic, but the 2021 shows an added level of textural finesse that is especially apparent in its contours. Hints of lemon peel, white flowers, mint and chamomile all grace this layered, super expressive white. The 2021 was fermented mostly in ceramic and steel, with just one lot done in wood. I have never been the biggest fan of the Vietti Timorasso, but the 2021 might make me change my mind. **It's a gorgeous wine in every way.**
