A youthful ruby/magenta, the 2021 Chianti Classico is pure, ripe, and inviting with aromas of cherry liqueur, candied roses, and fresh sweet Mediterranean herbs. This wine has wonderful transparency and clarity, with refreshing acidity, snappy lift, and ripe, fine tannins, as well as a stony underpinning and a lovely fresh lift of tomato leaf on the finish. A refreshing and lovely wine, it has much to offer if drinking over the next 6-8 years.
