The 2021 Chianti Classico RS sports a youthful dark red/magenta color and is lifted with ripe aromas of pencil shavings, black cherry preserve, menthol, crushed roses, and pine. Medium to full-bodied, it has a pop of fresh acidity, ripe tannins, and an angular structure, with notes of blood orange through the finish and toasted incense on the back palate. It's going to benefit from another 6 months to a year in bottle and drink well 2025-2030. It has a rustic oak touch that feels a bit drying on the palate.
