The 2020 Ghiaie della Furba opens with a mentholated freshness, blending minty herbs, spiced orange peels and red currants. It envelops the palate in textures of pure silk, quickly gaining grip with a core of tart red berries and sour citrus as edgy tannins pinch at the cheeks. This finishes with admirable length, structure and concentration, leaving a pleasantly bitter tinge to linger as hints of cedar and a savory herbal thrust slowly fade.

The 2020 needs time, and a lot of it.
