

JUNE 2024

**Sallier de La Tour Syrah Sicilia DOC -  
2022**

vinous

The 2022 Syrah lifts from the glass with a perfumed blend of rose, violet, lavender, crushed blackberries and hints of white smoke. This is juicy in character and fruit-centric, with an energetic mix of wild berries offset by notes of sour citrus. It finishes with medium length and is quite fresh, leaving just a lick of saline minerality on the close.
