**Siro Pacenti Vecchie Vigne Brunello
di Montalcino DOCG - 2013**

WINE ADVOCATE

Showing more oak definition, texture and overall fruity richness, the 2013 Brunello di Montalcino Vecchie Vigne benefits from the concentration and complexity you get with old vines. The wine wraps thickly over the palate, imparting luscious aromas of dried cherry, exotic spice, pressed rose and scorched earth along the way. This is a wine for the cellar. The bouquet has a lot to give, but this will require some extra time. All the elements are there for an excellent aging future. Some 27,000 bottles were produced.
