Vietti Freisa Langhe DOC - 2022

vinous

The 2022 Langhe Freisa is another new wine in this range. Lifted floral, spice and savory overtones lend an exotic flair. Readers will find a quirky Freisa with a ton of character. I don't know of any other Freisas done with stems, 50% in this case. The Vietti Freisa is a promising wine that will surely be better as the team gains more experience with this tricky indigenous grape and in using whole clusters here.
