**Lohsa Morellino di Scansano DOCG -
2022**

vinous

Vibrant black cherries, sweet herbs, stone dust and hints of spice create an enticing bouquet as the 2022 Morellino di Scansano opens in the glass. This is a juicy and fruit-centric effort with brilliant acidity and crisp mineral tones that add lovely traction. It finishes remarkably fresh and perfumed, leaving violet inner florals and a mouthwatering quality that lasts.
