

FEBRUARY 2025

**Badia a Coltibuono Chianti Classico  
DOCG - 2021**

**Forbes**

Made from organic Sangiovese grapes and showing classic markers of cooked strawberries and brightened by cedar notes and a citric acid streak hinting of a southern clime such as blood oranges or Clementine. Though SanG is the dominant player, this also has small percentages of natives Canaiolo, Ciliegiolo and Colorino.
