**Tenuta di Capezzana Trefiano  
Carmignano DOCG Riserva - 2020**

vinous

Mocha meets dried black cherries, plums and minty herbs as the 2020 Carmignano Riserva Trefiano slowly evolves in the glass. This is silky smooth and cool-toned in feel, with a sour citrus tinge elevating ripe wild berry fruits as hints of sage embellish the close. It finishes pleasantly bitter and incredibly long, leaving crystalline tannins to pierce the palate as echoes of licorice and minerals slowly taper off. This shows the warmth of the vintage, but does so with impeccable balance.
