**Tenuta di Capezzana Ghiaie della  
Furba Toscana IGT - 2020**

vinous

Wonderfully fresh from the first tilt of the glass, the 2020 Ghiaie della Furba opens with a blend of minty herbs, spiced orange peels and sour cherries. It's silky and refined with a saturating core of red primary fruits. Hints of sour citrus and tactile mineral tones form toward the close. Edgy tannins tug at the senses as this tapers off long and staining, leaving a pleasant bitter sensation, nuances of cedary spice and a tart cranberry crunchiness. The 2020 is powerful and impossibly young at the moment. Five to six years of cellaring are highly recommended.
