**Tenuta di Capezzana Trefiano
Carmignano DOCG Riserva - 2019**

vinous

Spicy, intense and full of potential, the 2019 Carmignano Riserva Trefiano lifts from the glass with a burst of white smoke, peppery rose and crushed raspberries. This displays a radiant core of ripe red and black fruits, opening with a grippy sensation as fine-grained tannins saturate the palate. The 2019 finishes with dramatic length and tension, puckering the cheeks while a staining of primary concentration adds a youthful chewiness. While incredibly young, the balance here is otherworldly.
