**Tenuta di Capezzana Ghiaie della  
Furba Toscana IGT - 2015**

vinous

The 2015 Ghiaie della Furba is dark as night in the glass, with an impenetrable deep ruby color and a brooding bouquet that blends cedar savings, grilled sage, hints of lavender and dried black cherries. It's surprisingly cool-toned and lifted in feel despite its depths of ripe red and black fruit, all complicated by an emergence of mentholated herbs. A saturation of fine-grained wood tannins mingles with balsamic spice and rum-soaked currants throughout the long, structured and dramatic finale. The 2015, a blend of 50% Cabernet Sauvignon, 25% Merlot and 25% Syrah, still requires patience. It's a beast.
