Bonacossi Toscana IGT - 2019**

vinous

The 2019 Ugo Contini Bonacossi is a total pleasure to take in, with its striking bouquet of white pepper, rose petals, crushed raspberries and sweet lavender. This impresses further with its elegance, silken and supple with a core of brisk acidity to balance as ripe red and black fruits swirl throughout. It finishes structured and long yet remarkably fresh, leaving violet inner florals and a tart blackberry tinge over a bed of fine-grained tannins. This is simply stunning and full of potential. The Ugo Contini Bonacossi is a varietal Sangiovese that refined for 15 months in barrique, half new and half second-pass.
