**Tenuta di Capezzana Trefiano  
Carmignano DOCG Riserva - 2013**

vinous

The 2013 Carmignano Riserva Trefiano is zesty and fresh, with a whiff of mentholated herbs and graphite-like mineral tones complicating its crushed blackberry fruits. This smooths over the palate like liquid velvet, still youthfully dense and weighty in feel, with an array of ripe black fruits and sour citrus hints that slowly saturate the senses. It leaves a peppery tinge and edgy tannins to resonate, finishing dramatically long and intense. Patience is still required to watch this dark horse come to full maturity.
