**Tenuta di Capezzana Trefiano
Carmignano DOCG Riserva - 2008**

vinous

The 2008 Carmignano Riserva Trefiano maintains a youthful intensity on the nose as notes of cooling smoke add lift to a burst of cloves and raspberries. It's silky and dense, with ripe red and black fruits riding a creamy textural wave, all underscored by a nearly salty minerality. The word sultry comes to mind as this finishes with tinges of dark chocolate and blood orange, leaving hints of brown spice and *sous-bois* to fade over a bed of adolescent tannins.
