**Tenuta di Capezzana Trefiano
Carmignano DOCG Riserva - 1998**

vinous

The 1998 Carmignano Riserva Trefiano opens with a cooling herbal freshness as mint and cedar nuances enliven hints of licorice and spice. It's soothingly round and fully resolved, with a core of ripe red fruits complicated by autumnal spice and the slightest tinge of citrus. This finishes long and staining, still gently tannic, with a bump of residual acidity that maintains fantastic freshness. The 1998 is in a perfect drinking window.
