**Tenuta di Capezzana Ghiaie della  
Furba Toscana IGT - 1994**

vinous

The 1994 Ghiaie della Furba reveals a remarkably vibrant ruby color with only the slightest bricking around the rim. It slowly evolves in the glass, distinctly savory and rich, with delicate notes of leather, tobacco, sage, spiced orange peels, black tea and steeped plums. This is lifted and energetic with an almost nervous feel, casting tart red berry fruits across a core of zesty acidity while hints of sour citrus and salty mineral tones add lovely contrast. The 1994 tapers off with an herbal flourish and a tart tension that keeps the mouth watering as a tinge of licorice and inner violet florals resonate. While flaunting its maturity, the 1994 is highly enjoyable and sultry in style.
