**Tenuta di Capezzana Trefiano
Carmignano DOCG Riserva - 1988**

vinous

The 1988 Carmignano Riserva Trefiano lifts from the glass with a spicy blend of tobacco, dried orange peels and hints of camphor. It's soft and round, still quite fresh, with tactile mineral tones and a mix of dried red and black fruits. It finishes with an herbal tinge, leaving a resonance of resolved tannins and nuances of brown spice. The 1988 Trefiano has matured beautifully over time.
