**Tenuta di Capezzana Ghiaie della  
Furba Toscana IGT - 1981**

vinous

A translucent ruby with noticeable bricking around the rim, the 1981 Ghiaie della Furba emerges with a savory mix of dusty rose, musky dried cherries, flowery underbrush and hints of brown spice. It's lifted yet racy in feel, excelling through its core of cooling acidity while mineral-drenched dried fruits slowly saturate. Earthy mineral tones linger along with a dusting of cocoa through the finish as the 1981 tapers off with medium length and a resonant salty sensation. Fully mature yet in beautiful form, the 1981 is a pleasure to taste. This was the second vintage of Ghiaie della Furba.
