Masseria Li Veli "Primonero" Negroamaro Salento IGT - 2023

vinous

The 2023 Negroamaro Primonero opens with crushed stones, mentholated herbs and dusty earth tones. This is nearly fleshy in feel with juicy acidity and decadently ripe wild berry fruits. A savory herbal thrust defines the finish as the 2023 tapers off staining and long with just a touch of framing tannin. This no-frills Negroamaro aims to please.
