Masseria Li Veli "Orion" Primitivo Salento IGT - 2023

vinous

The 2023 Primitivo Orion opens in the glass with dusty blackcurrants, exotic spices, crushed chalk and violets. It envelops the palate with silken textures, ripe wild berry fruits and a contrasting tinge of sour citrus as licorice nuances saturate toward the close. The 2023 finishes lightly structured and admirably long, leaving behind hints of sour cherry and a pleasant chewiness. Masseria Li Veli overdelivers with this balanced Primitivo.
