### Sallier de La Tour Syrah Sicilia DOC - 2023

vinous

Wild herbs mingle with citrus-infused blackberry and a hint of licorice as the 2023 Syrah Sallier de la Tour slowly opens in the glass. Juicy and vibrant, it offers ripe wild berry fruit and gravelly mineral tones that swirl throughout. The 2023 finishes with medium length and a gently chewy sensation as violet inner florals fade away.
