**Siro Pacenti "PS" Brunello di
Montalcino DOCG Riserva - 2016**

vinous

The 2016 Brunello di Montalcino Riserva PS is impossible to ignore, as a burst of mentholated black cherries mixes with notes of crushed stone, sage, smoking embers and a hint of spiced orange. Pure in style yet silken in feel, it offers red berry fruits that cascade across the palate as a jolt of zesty acidity lifts the experience. Structured and dramatically long, the 2016 tapers off with a saturation of fine tannins and a pleasantly bitter tinge of dark chocolate that lingers. It's a dark beast of a Brunello.
