The 2013 Ghiaie della Furba is terrific.

Capezzana's blend of Cabernet Sauvignon, Syrah and Merlot delivers the goods, and then some. Dark, pliant and beautifully expressive in the glass, the 2013 offers plenty of explosiveness and richness, but in a more restrained style than was once the case there. The aromatics alone are captivating. Plum, violet, licorice and smoke all develop in a vivid, potent wine. **There is so much personality here.**
