### Marchesi di Grésy Barbera d'Asti DOCG - 2015

Wine Spectator

The 2015 Barbera d'Asti shows the heat of the vintage. Barbera loves a warm growing season, and it quickly develops opulence and exuberance in the final weeks before harvest when the temperatures are warmest. This wine reveals sweet softness and jammy aromas of blackberry fruit, prune and cherry confit. That characteristic Barbera freshness kicks in at the end. Monica Larner
