### Selvapiana "Bucerchiale" Chianti Rufina Riserva DOCG - 2013

WINE ADVOCATE

The 2013 Chianti Rufina Riserva Bucerchiale is a fantastic interpretation with seamless balance and carefully measured intensity. The wine opens to bright cherry and cassis aromas that are wrapped within a delicate veil of balsam or Mediterranean herb. The mouthfeel is silky and long with a good amount of power to move it smoothly over the palate. Selvapiana shows excellent results in this vintage. - Monica Larner
