PRODUCER PROFILE

Winery Owner(s):

The Lageder Family

Winemaker:

Jo Pfisterer & Paola Tenaglia & Marion Pedron

Winery Founded:

1823

Region:

Trentino-alto adige

The Lageder winery is a star of northern Italy's Trentino-Alto Adige region, well-known for its mineral-driven versions and their leadership as a biodynamic producer. Building on the estate's nearly 200 years of winemaking expertise, father-and-son team Alois and Clemens Lageder oversee the winery today.

Lip-smacking acidity and a pronounced vein of saline- and stone-laced minerality creates a vibrant, tangy frame for this lithe, light-bodied white, which offers a tightly-meshed range of kiwi fruit, grapefruit granite, fresh basil and verbenia notes. Drink now through 2023. 15,333 cases made, 450 cases imported.
