Binomio Montepulciano d'Abruzzo DOC Riserva - 2014

WINE ADVOCATE

Binomio is owned by Stefano Inama (who is also behind the Inama winery in Soave, Veneto) and Sabatino di Properzio. The vines were planted in 1971 at 400 meters above sea level. That advanced plant age and altitude both add to the acidity and freshness of the wines. The vines enjoy a special microclimate between the sea and the mountains, and this favors slightly later harvest times, resulting in more aromatic complexity.
