#### Alois Lageder "Romigberg" Schiava Vigneti delle Dolomiti IGT - 2017

The Lageder family harvests fruit for this wine from the 20 acre Romigberg vineyard, where the pergola-trained schiava vines (some planted in 1945) are farmed biodynamically on soils of dolomitic limestone and loamy moraine deposits. The wine opens with a burst of juicy red-berry flavor, brightened by notes of orange pith. Mouthwatering acidity drives the wine and calls for a match with spicy sausage or salumi.
