The color on the 2011 Verdicchio dei Castelli di Jesi Classico Podium stands out before anything else, showing a brilliant golden straw laced with green hues. The bouquet follows suit, with an extroverted display of honeyed yellow flowers, tropical citrus, mango and cream. There's the slight twang of heat toward the close with a hint of hazelnut that lingers long. While I'm craving a bit more energy here, it's hard to deny the seductive nature of the warm 2011 vintage.
