ALOIS LAGEDER CHARDONNAY ALTO  
ADIGE DOC - 2019

NOVEMBER 2020

**Alois Lageder Chardonnay Alto Adige  
DOC - 2019**

vinous

It's amazing to think that the 2019 Chardonnay from Alois Lageder is their entry-level expression of the variety. Masses of white smoke minerals, wet stone, dusty florals and a spritz of lime define the dramatic bouquet. It's vibrant and spicy, full of salty tension and verve yet still silky and soothing throughout. The balance here is simply stunning, mixing textural, ripe tropical fruits with zesty acids, leaving a wonderfully pure presence on the palate.
