WINE STORY

Moscato Giallo is a relative of the more familiar Moscato Bianco the Moscato grown in Piedmont and around the world. The natural conditions of Alto Adige are well suited to Moscato Giallo, particularly in sites such as the Vogelmaier vineyard, located in a small side valley on Lake Caldaro, ventilated by cool downslope winds at night. Unlike most Moscatos, this is a dry wine, with the typical sweet aromatics of the Moscato family but a fresh, dry finish.
